Parent information regarding the COVID-19 Hygiene rules Praxis Logochamp starting from 4th May 2020

Dear Parents

I am very happy to welcome you and your child in person again at the Praxis Logochamp. The reopening requires strict hygiene- and behaviour rules which are based on the instructions from the Swiss BAG and the Kanton BL.

Please read carefully below:

- ❖ **Please bring only a healthy child to therapy.**
- ❖ **Please inform me and cancel the session (even short notice) if your child, you as parents or siblings show any signs of sickness.**
- ❖ **Parents, who attend the therapy session will bring and wear a face mask during the stay in the Praxis.**
- ❖ **Children won't wear a mask.**
- ❖ **Please show up for the session on time. When you arrive please knock on the door and wait until I personally let you in.**
- ❖ **After taking off jacket and shoes, your child will have to wash the hands with water and soap in the bathroom.**
- ❖ **Parents please disinfect their hands – disinfection liquid is provided by the Praxis at the entrance.**
- ❖ **Parents, who just drop off and pick-up their child, please wait as usual in the marked area at the entrance of the Praxis.**
- ❖ **Unfortunately, hand-shaking is not allowed.**

Thank you very much for your cooperation! For further questions please contact me.
